YOUR STORY, YOUR KITCHEN

The Kitchen Store is an award-winning independent kitchen designer specialising in German and British kitchens.

Founded in Brighton in 2004, we have been creating inspiring kitchens for nearly two decades and are now one of the largest family-owned independent kitchen retailers in the South. Our reputation is built upon our flair for design, our honest, personal one-to-one approach, and our attention to detail.

There's a perfect, tailored solution for everyone within our wide range of German fitted kitchens from Nolte, and our British kitchens from Masterclass.

Plus, we have some great offers this January...
